Attention: Akhil Sippy

Subject: Letter of Recommendation

Reference: Shell & Tube Heat Exchangers

Mr. Akhil Sippy,

Sasol Chemicals (USA) LLC ("Sasol") acknowledges that the work done by Tema India, Ltd. ("Tema") was professional, top class and in accordance with specifications.

Tema engineering and fabrication shop personnel easily understood the requirements of fabricated equipment as demanded from USA buyers. Sasol vessels (heat exchangers) were built to American Society of Mechanical Engineers ("ASME") and Tubular Exchangers Manufacturers Association ("TEMA") standards. In fact the Sasol exchangers required and received Professional Engineers stamps of approval.

The commitments made by Mr. Akhil Sippy were complied with one hundred percent. Mr. Sippy was cooperative, understanding and accurate in his promises to deliver. Additionally, Mr. Khush Bulsara was available and located in the USA for convenience. Mr. Bulsara had a direct line to Tema and was an asset to have representing Tema India, Ltd. I would not hesitate in placing additional orders with Tema.

If you have any questions or require further information, please do not hesitate to contact the undersigned at (979) 824-3070.

Regards,

Dean Ragsdale
